The Details...

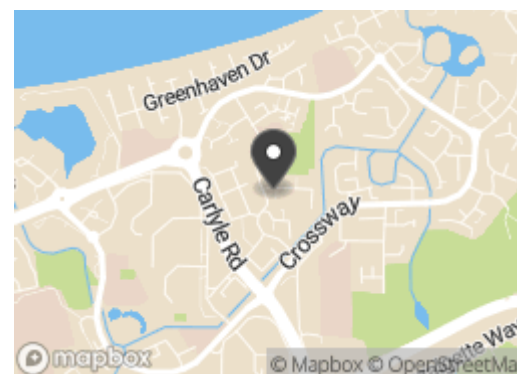

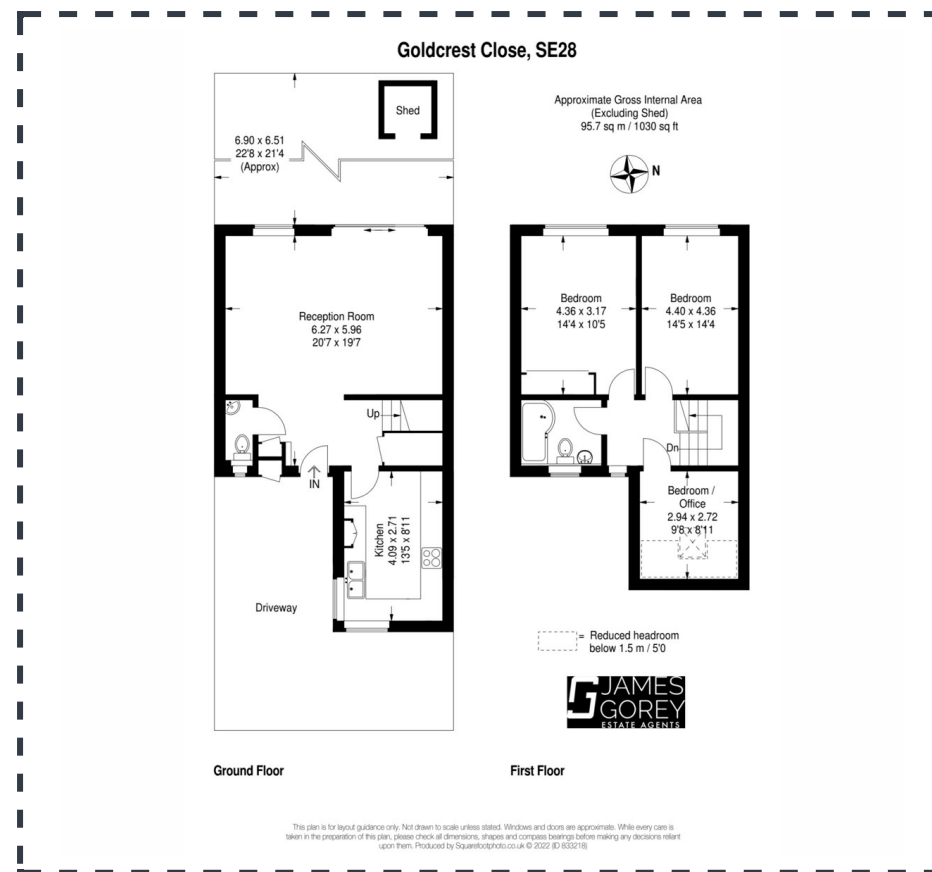

This has to be one of the BEST properties we have encountered! A spectacular Three Bedroom Home in a pleasant Cul-De-Sac setting in Thamesmead - an area full of scenery, parkland, lakes and canals. The property is well situated for both primary and secondary schools, as well as convenience stores being within a short walk, or a choice of three Supermarkets within a few minutes' drive or bus journey. There's a good selection of bus routes to take advantage of for your daily travels and commute into London – take the bus to Woolwich DLR, or Abbey Wood Train Station where CrossRail is set to open between March and June 2022!

The quality of this home is apparent from the moment you approach from the street – stylish double glazed windows with matching doors to both the storage cupboard and the entrance door; no expense spared. As you approach the Drive, the window into the Kitchen teases with a glimpse of the luxury to expect in this home. Enter through the front door and you are welcomed by a spacious, light and airy Lounge Dining Family Room with almost floor-to-ceiling windows and doors allowing an abundance of natural light to fill this space. Designer radiators, striking exposed-brick wall complimented with wooden panelled TV feature. The Kitchen is of a high standard with stone floor and matt light-grey units for a slick contemporary finish, and comes equipped with double oven, induction hobs and extractor. For added convenience, the ground floor also boasts a WC, and two storage cupboards.

Upstairs, there is a Landing with stylish glass-banister, a stunning Family Bathroom with 3pc suite including a vanity wash basin unit, low-level WC and large bath with shower and glass screen. Bedrooms One and Two are both generous double rooms, with the larger including built in wardrobes with sliding mirror doors. The third room has restricted head height but is a great versatile space as an office, store room, or Bedroom Three comfortably fitting a single bed and storage units.

Externally, to the front there is a driveway, integrated storage cupboard, external tap, and shrubs for added kerb appeal. To the rear there is a westerly-facing Garden measuring 22' x 21', with a shed, decking, lawn, and rear access.

Homes of this standard are rare, and get snapped up fast! We expect a lot of interest in this home, fast, make sure you reserve your viewing before it's too late! Call James Gorey Estate Agents today!
